Jangro ntrl Surface Sanitiser Fragranced (1.5L)

Product Code: BF080-P

Danger

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
DELIVERY			
Packed in 2 X 1.5L pouches.	Risk of spillage if the container is dropped. Risk of injury to user if dropped.	Trained employees should handle only single containers at any given time. Take care not to drop the containers. Ensure that the cap is secure at all times.	Transfer container to store immediately following delivery. Do not leave containers in areas where users of the building will come in to contact with them.
STORAGE			
Containers must be stored upright in a cool, dry storage area. Product must be kept stored in its original container.	Highly flammable. Minimal risk of spillage if lids are firmly in place. Lids are not child proof.	Keep containers in secure storage areas. Restrict access to storage areas to authorised personnel. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources.	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy. Make regular checks to ensure containers are not split or blown.
USAGE			
Suitable for hard washable surfaces and general cleaning. Product is diluted into a 1 litre bottle via a dosing unit system before use.	Risk of eye contact. Risk of ingestion. Risk of spillage on to floor. Risk of skin contact.	Handle the containers with care. Ensure that the container is returned to store when not in use. Always read the manufacturer's instructions prior to use. Ensure that all spillages are wiped up immediately	Provide employees with PPE as follows: • Household gloves if prolonged contact with product is likely. • Safety glasses. When mixing solutions, ensure that operatives add product to water. Ensure that operatives are aware of location of First Aid facilities and personnel.
DISPOSAL			
Empty containers must be rinsed thoroughly and disposed of as normal waste. Residual stocks may be disposed of into a foul sewer (sluice) using plenty of water. Recycle all containers wherever facilities are available.	Small risk of eye contact. Small risk of ingestion.	Wash out the container using plenty of water. Do not store any other material in the empty container. Ensure that the product is exhausted before disposal. Ensure that the product is not disposed of via a rainwater sewer (ie drain outside the building).	Ensure that all operatives wear personal protective equipment at all times.
