Laundry Starch Solution

Jangro

Professional

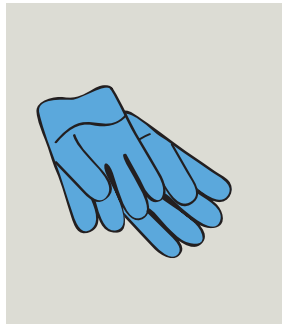

Product Usage Guide

BP083-5

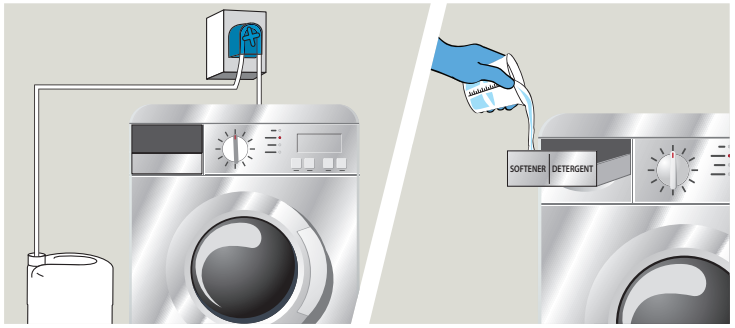

Machine Use:

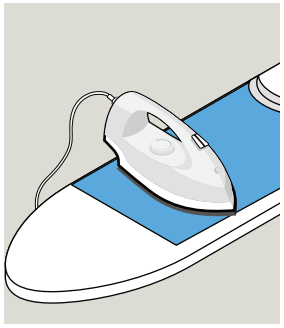

MACHINE SIZE/SIZE OF LOAD	SYNTHETICS	COTTONS
Less than 5kg	25ml	75ml
5-10kg	50ml	150ml
10-18kg	90ml	270ml
18-20kg	120ml	360ml

1. Use appropriate PPE as indicated in safety data sheet.

2. Either apply manually or through a suitable dispenser into the final rinse cycle. See the chart for recommended concentration levels and adjust the concentration according to your requirement for hold.

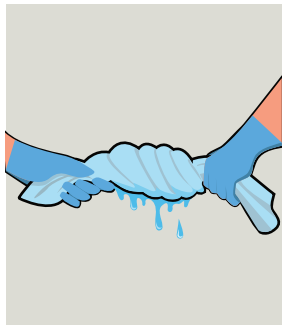

3. Iron when damp to develop the hold in the fabric.

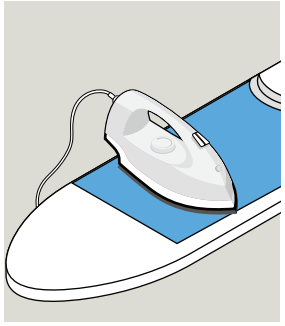

Use by Hand:

1. Immerse fabric in a 1 % solution of Starch Solution diluted with cold water. Ensure all fabric is wet.

2. Wring out the fabric thoroughly.

3. Iron when damp to develop the hold in the fabric.

Health & Safety
