Instructions for use:

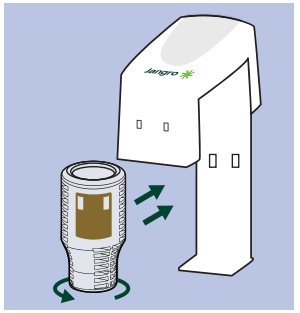

1. Mount the Jangro V-Air® SOLID MVP Dispenser to the desired wall.

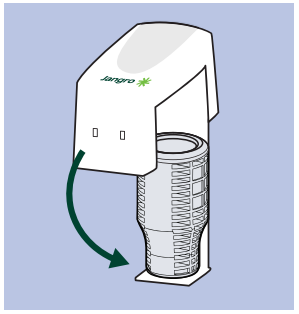

2. Insert dispenser key into the base to open the cover.

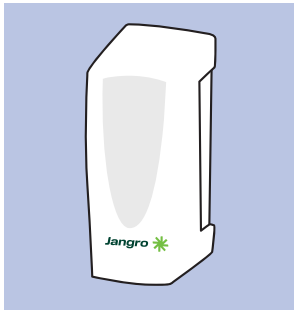

3. Remove the protective cap from fragrance cartridge.

4. Clip the cartridge into the dispenser with the brown board facing back.

5. Shut the dispenser once the cartridge is secure.

6. The dispenser should now offer an effective 60-Day fragrance solution.
